The chart displays a complex network of flight routes and boundaries around the Amsterdam-Schiphol airport area. Key features include:

- Airports:** Schiphol (AMS), Amsterdam-Milligen (B/D), and various smaller airfields like Valkenburg and Waasland.
- Flight Paths:** Numerous IFR and VFR routes connecting different regions, often labeled with numbers or letters (e.g., R-119, R-126).
- Obstacles:** Indicated by star symbols with associated MSL and AGL altitudes.
- Communication:** Frequencies for ATIS, Tower, Unicom, and other services are provided for various sectors.
- Geographical Context:** The North Sea is visible to the west, and the Markermeer is to the east. Major roads and railways are also shown.
